

The Wicc meeting in 2021 was planned to be held in Copenhagen as an on-site meeting in September 2021. Due to the COVID-19 pandemic, this meeting had to be replaced by an on-line meeting.

At the meeting in 2021, it was decided to schedule the WICC meeting 2022 to be held in Copenhagen, as the commitment to support the meeting could be transferred to 2022.

I have acceptance and support from the Danish College, DSAM, Danish Quality Organization for General Practice, KiAP and the General Practitioners' Organization to announce:

WICC, Annual Meeting 2022
